

Art on Main is one of Murphys' newest attractions, a collaborative art gallery representing 30 of the Gold Country's finest artists. We are proud of the accolades and successes we have had since opening in July of 2012. When many were shutting retail doors, we did the daring thing: we opened ours! Our art is being purchased and appreciated by many of you, our valued patrons. Visitors from around the world have left our gallery with smiling faces; happy to bring home the beautiful art they just purchased.

Most visitors have expressed admiration for the art that is on display, including original paintings and fine art reproductions; glass, textiles, clay-work, and jewelry. That warms our hearts...! More importantly, it gives our patrons confidence that any piece purchased from Art on Main will be a piece they can enjoy and be proud to share with family and friends for a lifetime.

Here is the even better news: working collaboratively, these fine artists will be changing out and rotating their art four times each year (January, April, July, and October). Be sure to visit often -- it will be as if are visiting a new gallery every three months.

We plan to celebrate each fun change-out with a quarterly reception. Join the family of art lovers who you will find having lots of fun surrounded by beautiful art and engaged in interesting art talk. Chat with the many artists who can provide you with personal knowledge of their artwork, as well as the artwork of other artists.

Friends take a look at the incredible work of our artists uniquely displayed in the dramatically lighted environment.

Our next reception is planned for Sunday, April 14, 2013, from 11:00 a.m. to 5:00 p.m., co-hosted by the businesses within Thorpe Plaza Art on Main, Marisolio Oil Tasting Bar, Alex Atman Metal Sculpture, Sullivan Chiropractic Office, The Conscious Turtle (boutique massage therapy studio).

We will also be celebrating **Murphys Irish Days** on Saturday, March 16, 2013. Be sure to stop by Art on Main between 11:00 a.m. and 5:00 p.m. for snacks and libations.

Just to make things a bit more fun, come by the gallery at any time and drop your business card in our glass receptacle. During each one of our quarterly change-outs, we will draw a card and the winner of the drawing will receive a \$50. Art on Main Gift Certificate. Good Luck! . . . looking forward to seeing you soon!

New artist Annie Fountain, with artist Helen Scofield, hangs her fine oil paintings of local scenes and a winter paradise.
